

Artists enquiring about exhibition space at The Point

We're currently programming for 2010/11 and are willing to hear from artists wishing to exhibit at The Point.

The aims of our work are to support artists wishing to engage with our programme of participatory work, to offer existing groups and new visitors to the building the opportunity to engage with work that is inspirational, of a high quality and to share the work that we deliver as a company.

We are not a selling gallery, however we are happy to pass on details of people who are interested in buying work.

We are interested in working with artists who can deliver workshops as part of an exhibition programme to a wide range of groups.

Artists should submit images of their work (not originals) on CD or paper copies. A CV would be useful if appropriate.

Email enquiries should be sent to Helen hjones@thepoint.org.uk or by post to Helen Jones, Arts Development Manager, The Point, 16 South Parade, Doncaster, DN1 2DR. Artists will be contacted within 4 weeks of enquiry.
