- man She'sgreat at pla-ying foot - ball_ I'm a Za-ra fan_____

This song, originally written for adults with learning disabilities, provides the opportunity to celebrate each child in the group, their uniqueness, their talents, whatever makes them special. It is great when the children offer their ideas as to what should go into the verse for each of their peers. Alter the rhythms in the verse to fit the words - this is a good collaborative exercise too.
