Early Years and KS1 Music project: Giddy Goat

Music in the Round and Doncaster Music Education Hub invite your setting to take part in a brilliant music project in Spring 2019. This project gives you the resources and ideas you need to put music at the heart of your setting. It's also lots of fun!

This musical story follows the trials and tribulations of Giddy, a young mountain goat who is scared of heights. Based on the colourful children's book by Jamie Rix and Lynne Chapman*, with specially composed music by Paul Rissmann, this tale of facing fears and making friends is an ideal way to introduce **children aged 3-7 years** to classical music.
